Hosting a Forum on the State Government’s Meth Strategy

The State Government is committed to making communities safer through tough laws and providing resources to combat crime and anti-social behaviour, prevent drug abuse and to educate and support meth users.

The Liberal National Government is fighting meth on three fronts – education to stop people from ever using this dangerous drug; support and treatment services to help people who are impacted by meth; and disrupting supply.

Learn about the Liberal National Government’s WA Meth Strategy from

Hon. Liza Harvey MLA
Deputy Premier; Minister for Police; Road Safety; Training and Workforce Development; Women’s Interests

&

Hon. Andrea Mitchell MLA
Minister for Mental Health; Child Protection

Date
Wednesday, 10 August 2016

Time
