Parish Parking

As mentioned in previous newsletters, the Parish Driveway is not to be used for parking for school drop off and pick up at any time of the day. The parking in the driveway is for parish staff and for disabled parking only.

Unfortunately there was an incident last Thursday where an ambulance was called for a parishioner. Seeing the ambulance there a parent decided to go around the ambulance and parked directly in front of it, leaving no space for the ambulance to move forward. As other cars were stuck in the driveway behind the ambulance, the ambulance was unable to leave to take the parishioner to hospital until the car's driver had returned. This is unacceptable.

There are rules for parking in the driveway for a reason. Some parents/grandparents work in the parish. These are the only people who are able to use the driveway.

Please be sure to let anyone else know not to use the driveway for drop off and pick up, as it would terrible for an incident like this to happen again if a more serious emergency were to occur.

Thankyou,

Fr Richard Smith
