

July 2017

Dear Parents/Guardians

On Friday, 11<sup>th</sup> August and Tuesday 29<sup>th</sup> August, 2017, the Kindy- Year 6 children will be attending a Science incursion by Scitech. This Science incursion will enable the children to explore different Science topics appropriate to the children's year level, that will be set up in the MPA.

This Science shows will immerse the students with an experience to explore the different learning indicators that relate to the topics that each year level have covered or will be learning about.

This incursion will cost \$3.50 per child. Please send the money to your classroom teacher.
