OUR LADY OF GRACE SCHOOL CANTEEN MENU - 2017

Please ensure **all** manual lunch orders are placed in the classroom lunch boxes prior to 9am.

When ordering for more than one child and correct money is not available, please **put all money and orders with eldest child's order**, marking each grade. Change will be given to eldest child. For hygiene reasons, **please wrap all money in gladwrap or paper** - loose change falls out of envelopes.

If order is incorrect according to menu of the day, or insufficient money is included, the child will be given a sandwich, so please check menus carefully. Orders must be sent to the canteen before 9:00 am. Any child without lunch will receive a sandwich only.

Low fat and low salt products are used where possible. If a child has a special dietary requirement, please contact Pip.

Please see all up to date Canteen Menu items online at www.ouronlinecanteen.com.au. All orders can be pre-ordered at our Online Canteen. Please give it a try!
